

privacy

**your information is always
private & secure**

Our subscribers are most valuable to us, and your information will never be released to anyone without your consent. This is not a directory service! We respect the privacy of our subscribers and follow the strictest guidelines for protecting and maintaining any and all information you may provide to us. Only people you share your eCode with can view your information. eCode.com is a member of the TRUSTe program, and we utilize the SSL protocol when transmitting information.

partner opportunities

co-branding partner program

Join the eCode.com Co-Branding Partners Program and get free co-branding space on our products. All you have to do is provide a link to eCode.com on your Web site. When your visitors click through to eCode.com and register for their own eCodes, the WEB Card, Guest Book, and personalized URL page each receives will be co-branded with your company logo. Each time someone views these features, your company name will be visible to them. The more people that register for eCodes, the more co-branding opportunities you will have.

Sign up today at www.eCode.com.

customized user registration services

If you have an e-commerce or other site, or are in the process of building one, eCode.com can help you customize as well as simplify your user registration process. Develop your site in a way that will enhance your visitors' experience and allow you to track and maintain valuable, always up-to-date user information. Contact partners@eCode.com.
